OA & Lizenzmodelle – Dr. Wolfram Horstmann  
DBT – 24. MAR 2006, Dresden

# Transfer vs. Lizenzierung

- ➔ Rechtetransfer an Dritte (Verlag)
  - ➔ Abtreten exklusiver Rechte
  - ➔ Verlag regelt Endnutzerzugang
  - ➔ Sondervereinbarung mglw. notwendig
- ➔ Autor lizenziert Werk
  - ➔ Autor erteilt nicht-exklusive Rechte
  - ➔ Autor kann Endnutzerzugang selbst regeln
  - ➔ Autor behält Rechte
  - ➔ „some rights reserved“

# § Rechtetransfer & OA

- ➔ Autor überträgt Rechte
  - ➔ RA Bedingungen
    - ➔ entweder: kein OA möglich
    - ➔ oder: Zusatzvereinbarungen
  - ➔ OAA Vereinbarung Parallelpublikation
    - ➔ Entweder Autorenvertrag oder „Policy“
  - ➔ OAP Vereinbarung Primärpublikation
    - ➔ Verlag gewährleistet OA
- ➔ Autor lizenziert Werk
  - ➔ Autor gewährleistet OA

# § „Addendum“

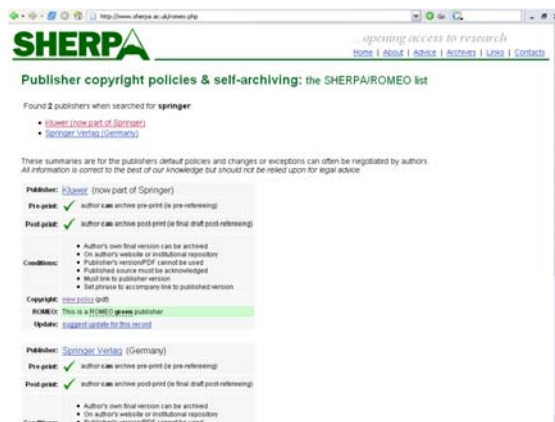

- Für RA–Vereinabrungen
- Überschreibt Autorenvertrag
  - ermöglicht OAA
  - z.B. „Author’s Addendum“ (Sparc)

- Can I add the article to my website?
- What rights do I retain as author?
- Who does Elsevier request transfer of copyright?
- Who does Elsevier retain a moral authors right?
- Obtaining permission to use Elsevier material
- How do I obtain permission from other publishers?
- Where should I send requests for permission that I receive from other authors?
- Can you provide me with a CC0 file of my article?
- What is Elsevier policy on using patient photographs?

**How do I obtain a Copyright Transfer Form?**

You will receive a form automatically by e-mail or post once your article is received by Elsevier's Production Department.

**Can I post my article on the internet?**

You can post your version of your article on your personal web page or the web site of your institution, provided that you include a link to the journal's home page on the article's DOI and include a complete citation for the article. This means that you can update your version (e.g. the Word or TeX form) to reflect changes made during the peer review and editing process.

**What rights do I retain as author?**

As an author, you retain rights for large number of author uses, including use by your employer, institution or corporation. These rights are retained and permitted, without the need to obtain explicit permission from Elsevier:

- the right to make copies of the article for their own personal use, including for their own classroom teaching use;
- the right to make copies and distribute copies (including through e-mail) of the article to research colleagues, for the personal use by such colleagues (but not commercial or systematically, e.g. via an email list or list server);
- the right to post a pre-print version of the article on Internet web sites including electronic pre-print servers, and to retain unpublished author version on such servers or other sites; see also our information on [preprint servers](#) for a more detailed discussion on these points;
- the right to post a revised personal version of the text of the final article (to reflect changes made in the peer review and editing process) on the author's personal or institutional web site or server, with a link to the journal home page (on Elsevier.com);
- the right to present the article at a meeting or conference and to distribute copies of such paper or article to the delegates attending the meeting;
- for the author's employer, if the article is a 'work for hire', made within the scope of the author's employment, the employer can use all or some of the information on one version of the
