ABOUT: 27" DELL 4K MONITOR

Hey! Saw the monitor is free for reading week — still available?

Yep! Pickup from Escondido Village works any evening.

Sweet — pickup tomorrow at 4pm works.

OUR MISSION

A campus where students **share more** and waste less.

Students spend thousands every year on items they barely use. UniShare turns dorms, libraries and labs into a trusted sharing network — so the things you need are usually a message away.

Campus-verified trust

Every member signs in with their .edu address. You only share with people from your university.
